

We are happy to announce that the new, updated Directories have finally arrived! We are going to have a “parking lot pick-up” for you to come and pick up your copy on Sat. Nov. 7. We will have 2 tables set up. One for last names ending A-M, the other for N-Z. We are going to be in the lot from 9-11AM, then 1-3PM to hopefully make it a convenient time for all. We realize that some are not able to get to the church to pick up your Directories. We will arrange to get yours delivered or mailed if needed. We may have a weekday afternoon event also, depending on how many can get their copies this Saturday. We will keep you posted on that.

We will be seated at a safe distance away from the tables and will mark your name off our list when you get your copy. Obviously if there is a line, please safely distance. In the event of inclement weather, we will be handing them from car to car in a bag. We will be masked and gloved if this is the case.

Remember if you were in the previous Directory you will get a new copy, even if you did not update your photo.

If anyone has any questions or to arrange for delivery or mail please contact Tim Thompson at (608)220-4280 or Beth Erickson at (608)235-6373. Please do not call the church office with any questions.

We are looking forward to seeing many who we haven't seen for many months this Saturday.
